

Facts

University of Maryland Medical System (UMMS) delivers comprehensive health care services throughout Maryland. UMMS physicians and patient care teams work hand-in-hand with University of Maryland School of Medicine specialists to provide primary, urgent, emergency and specialty care at more than 150 locations across the state. The UMMS network includes academic, community and specialty hospitals that together provide 25% of all hospital-based care in Maryland.

UMMS MEMBER ORGANIZATIONS

University of Maryland Medical Center (UMMC) is the flagship academic medical center at the heart of UMMS and includes the 739-bed downtown Baltimore campus and the 201-bed midtown campus one mile north. The medical staff comprises more than 1,500 attending physicians who are faculty members at the University of Maryland School of Medicine, as well as more than 950 residents and fellows in all medical specialties. UMMC is home to the Marlene and Stewart Greenebaum Comprehensive Cancer Center, the R Adams Cowley Shock Trauma Center and the University of Maryland Children's Hospital.

University of Maryland Baltimore Washington Medical Center in Anne Arundel County provides primary and specialty care, including cancer, orthopaedic, cardiac, women's, vascular and neuroscience services.

University of Maryland Capital Region Health provides primary and specialty health care in Prince George's County, Southern Maryland and the Washington metro area, and includes:

- UM Bowie Health Center
- UM Capital Region Medical Center
- UM Laurel Medical Center

University of Maryland Charles Regional Medical Center is an acute-care community hospital serving Southern Maryland.

University of Maryland Rehabilitation & Orthopaedic Institute is the state's largest rehabilitation and orthopaedic hospital, serving both adults and children.

University of Maryland St. Joseph Medical Center is a Catholic acute-care hospital in Towson, with centers of excellence in heart, cancer, orthopaedics and women's and children's services.

University of Maryland Shore Regional Health serves Maryland's Eastern Shore and includes:

- UM Shore Medical Center at Cambridge
- UM Shore Medical Center at Chestertown
- UM Shore Medical Center at Easton
- UM Shore Emergency Center at Queenstown

University of Maryland Upper Chesapeake Health serves Northeast Maryland and includes:

- UM Upper Chesapeake Medical Center at Bel Air
- UM Upper Chesapeake Medical Center at Aberdeen

Mt. Washington Pediatric Hospital in Northwest Baltimore is a pediatric rehabilitation hospital operated as a joint venture by UMMS and Johns Hopkins Medicine.

University of Maryland Physician Network is a group of physicians and advanced practice providers that offer primary care and specialty services throughout Maryland. UMMS-affiliated practices provide expert care across all specialties, including primary care, pediatrics, women's health, orthopaedics, neurology and neurosurgery, heart and vascular care and more. A trusted partner of University of Maryland Faculty Physicians Inc., UM Physician Network is focused on providing high-quality, patient-centered care.

University of Maryland Urgent Care provides walk-in care, pre-operative testing, vaccinations and other ambulatory services at 10 locations in Maryland, coordinating with the UMMS network and other providers across the state.
