

## Get To Know Me Board – Completing the Board

Get to Know Me boards are provided on Admission:

### Engage the patient:

“To be able to provide you the best care possible it is important that we know you for who you are as a person. Here at UCH, we use this board to be able to do just that. Would you like to fill this out on your own or would you like to do it together with me?”

### Is there family in the room?

“While your loved one is with us we would like to know them for the awesome person they are. This boards helps us do that. Would you mind filling this out for us while you wait?”

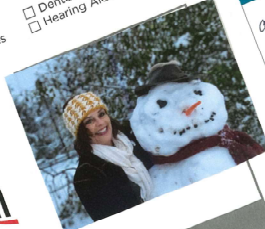

### UCH Team Members

- Volunteers and Patient Experience Specialists
- Team Members who enters the room can complete one block ie Transport, Respiratory, EVS, Nursing, PCT, Case Management
